“ When I first meet her, she never told me she had a twin, so I go inside my apartment, and there she was again, so I ask her how she changed her clothes so fast, well needless to say, the twins had me going. Until I seen them both in same room at same time. Lol so Belindas nickname was LuLu, so after I seen them both I named the other twin Ann, LaLa,, we has some good times together. You will be missed.
