“ I have many memories of my sister Debra (Kendall) Gray ..I was an only child cause our 3 brothers died in infancy till she was born when I was 81/2 years old (I am 77 3/4 and she was 69 1/3) ..she called me 'Sissy".from the time she could talk shortening it to 'Sis" as we got older ..we grew even closer these last 6 years and talked or texted etc at least once a week.sometimes more ..I will miss our talks and miss her very much..I am still in disbelief that she passed so suddenly and unexpectedly but glad she didn't have to suffer and passed peacefully .. it's not goodbye Sis it's ' See you later in Heaven ..Love you Sis from BJ (Betty June)
