“ I learned much from my little brother. Much of our lives were tightly intertwined. So much knowledge I would never have known. I am so thankful he found Bernadette. She helped him smooth out some of his rough edges. He had met his match for life. He deserved to have someone that finally gave him inner peace. He was a survivor and so many times we did that together I. loved him more than these paltry words. I can only pray and hope he knew I still did. THANK YOU BERNADETTE FOR LOVING HIM.. terri

“ Gary was a good friend. He and I have been friends over 30 years. Gary and I loved to get together and talk about our baseball cards days. Gary, I know really thought a lot of his children and grandchildren, we had many discussions about our families. Gary will be missed. Jerry Moore, Dierks, Arkansas

“ Bernadette & family. I am so sorry for your loss of Gary. I always loved picking on him when he came into the Post Office. And he seemed hurt if I didn't. I always enjoyed talking with him. He was a great guy.
