“ MY BEAUTIFUL SISTER~ My heart is broken forever !!! I just lost my husband less than 2 weeks ago than you. I don't want to believe that you are truly gone. When I talked to you on St Patrick's Day we made plans for me to come out to see you and go on a trio and enjoy ourselves together. You said " you would get better and do everything that the doctors tell you to do " You sounded really good that day !!! WHAT HAPPEN ?!! YOU CAN'T BE GONE !!!!! I love you so much -I am blocking everything out-I can't let myself believe you are gone. I will always remember our last conversation telling you I love you and will be coming out soon and hang in there and be strong!!! I knew you would get better and you did too !! You weren't given that chance and than you were gone .My heart can't handle all this emotional stress-If I wasn't under my doctor's care right now I would just collapse . I can't say good-bye to you-I want you here-I want to see you -to hold you-to give you a hug and kiss and to tell you everything will be ok, but never was given a chance to see you-and than you were gone my sweet sister. I LOVE YOU SO MUCH GAGGIE YOU WILL ALWAYS BE IN MY HEART !! Your baby sister BARBIE

“ As I read these comments my heart is even heavier Dear Gladys. I was hurt that my brother, your husband whom you loved so very much was omitted from your Obit, no mention of any Lee. I understand some of them don't deserve to be mentioned but Me why?? I Pray healing can be done. You and Don were always so kind to me and never turned your backs on me, I didn't turn my back on you guys either but somehow I don't deserve to be included. At least that is what Donnie Jr said in this very public space. I am praying your journey home is Peaceful Gladys You and Don will always have a place in my heart and under MY family tree.

Donnie, I tried to support you all, the best way I could with all the sincerity I could. I don't say I love blindly but now I am so hurt it will take a while before I ever do again. I have always been concerned as to how your parents were doing, The phone numbers were changed so many times, when I would try to call number disconnected. I just couldn't afford a trip to Arkansas. My family wouldn't even let me attend my own brother's funeral as you know. Enough said. I do have good memories of your family and no one can take them away. I could say more but you called FACEBOOK Dramabook, well that was the only way I could be in touch, So Drama as it may be my true feelings. I do hope you grow up someday. Your parents didn't raise you to be this way. God Bless you.

“ I have so many good memories of my sister. We had a lot of fun times growing up. Our holidays and get togethers. Our Thanksgivings at Grandma and grandpa Cliff's. Our trips to Lincoln Park each summer. I choose to remember the good times and the sweet parts of Gaggy. That was her nickname, given by my niece. She was very creative and made some beautiful things over the years. I, do, wish I could have made it there to see you. Sooo sorry, gaggy. Everything moved so fast
R.I.P. my SiS... You will be missed, for sure!!!
Love You....

“ The soul is like the setting sun. While it appears to us to have gone away, it is simply shining its light elsewhere. Your mothers light will guide her to heaven and shine down upon your family daily. My thoughts and prayers are with you all.

Sincerely,
Lori Lee
