

## Hollis Elbert Johnson

May 2, 1941 - December 24, 2020

Heaven gained an angel like no other. Hollis Elbert Johnson went to be with the Lord just a day before the Lord's birthday. He left us December 24, 2020. Hollis lived his life with a big heart, helping others whenever he could. He never met a stranger he couldn't call a friend. His life touched many people and he was loved by many people. He answered to many names: Husband, Dad, Pa, Pappa, Papps, Daddy Johnson, Pappaw Penguin. If there are equipment and livestock in heaven I can promise you he is living the dream.

He was born May 2, 1941 to the late parents of Elbert & Lola Johnson. Hollis was a member of Rock Springs Baptist Church. Hollis leaves behind a wife of 49 years, Patsy Johnson; son, Rodney Johnson; daughter, Holly Johnson Hink; four grandbabies that were his world, Jax, Parker, Makeelie Grace Hink; also Lincoln aka Baby Penguin Rhodes. Those who knew Hollis knew these little ones were his world. No matter how he felt. They cheered him up instantly.

The Johnson family would love to send a special thanks to the people who helped care for Hollis in his time of need. The Hospice Home Care of Hot Springs, Senior Helpers, and the Robby Ellison Family. Also a special thank you to Elyssia Miller. She was Hollis' angel here on earth. She brought him so much peace and joy in the last months of his life. She will always have a special spot in the hearts of the Johnson family.

The remembrance of his life will be celebrated at Rock Springs Baptist Church, 1026 Rock Springs Rd, Jessieville, AR at 11 AM January 16, 2021 with Brothers Randy Noles and Charlie Dunnivant officiating.
