“ I worked with John at Kroger for 7 years. When I first went to work at Kroger, he was the first co-worker I ever talked to, he sent me in the right direction. He was a kind and humble soul. He always had a good sense of humor and a heart full of love and helpfulness, was always generous and willing to help. He once worked frozen foods for me for a week when I took a vacation, he did a thorough job, and I am grateful. When I am working in the back room, or helping the dry grocery crew (I work frozen foods), I will always think of John.
