“ I am sorry to learn of Karen's passing, we worked together for almost 20 years. She was strict but kind and loving. She was an encourager and always had time to lend a helping hand or answer a question. She believed in me when I didn't believe in myself. She took me under her wing and taught me how to be a bookkeeper. She knew her job and did it very well. Karen will always have a special place in my heart and even though we lost contact after her retirement, I have thought of her many times with fond memories. Rest in peace my friend you will be missed.

“ Karen was an amazing woman. She was always so good to me and treated me better than I deserved when I worked for her. Karen was a giver. She gave her time, love, attention and money to anyone who needed it. She loved all of her family greatly. She loved having you at her house and the more the better. If your family needs anything please let me know. She was the coolest lady I ever met. Love, thoughts and prayers to all the family. Sincerely, John Williams
