“ I will always keep Luba close to my heart. She gave me and our family so much love and support for the past four years. After my mom passed, Luba stepped into my life and soon became the "Mother of my Heart." She told me I was the "Daughter of her Heart" and I will never forget her daily phone calls and our chats around the table. Rest in Peace my dear friend.

“ Mrs Cook was a very dear friend. I met her as a client. I cleaned her home for her. I loved our visits together and looked forward to the times I could go see her. She had wonderful stories of her life and of her volunteer work, with her faithful companion Katie. She was an awesome person and friend. She will be missed. Sincerely Regina Donaldson
