“ I have so many wonderful memories of Mary. We have laughed until our sides hurt. No matter how long we went without seeing each other, we always picked up right where we left off. Mary is the most selfless person I have ever known. She could tell a story with amazing detail (and she had many). I just can't believe she is really gone. I will miss her terribly. I will never forget her laugh and that incredible little giggle. My deepest condolences to all of her family. She loved Rebecca, Grayson and Rachel to the moon and back! I love you Mary. 💔
