“ I will always remember Deshon. His smile was infectious and he had a sweet spirit. He cared about others and was always there for them. I know because he was always there for me. He knew how to make people smile. He also told me that he was to be a preacher one day. We talked about it and we even sang some songs together. He will be missed dearly. I'm glad that I got to meet him and be his friend. RIP my dear friend. Now you can stroll through heaven and do all the things that you couldn't do hear on earth.

“ I am so sorry for your loss he was a wonderful man.

Anytime I went into Walmart I would purposely go thru his line. He was always a joy, always had wonderful conversation while checking out. I moved from Hot Springs in 2016, but I will always remember my favorite cashier.

“ He was one of the best men i knew. He was my brother from another mother. We would hang out and just talk about life and future business plans that would have been fun to do for the people of hot springs. We just didn't have the start up to do it. I remember the idea of Hammerdaddy's, we had about 3 or 4 ideas for it. Deshon, Melvin and I were going to be the faces of Hammerdaddy's. Melvin in charge of the kitchen, Dedhon as main host of the place and me in the background running the day to day stuff. With his smile and laugh we would have brought in a lot of people. I love you bro!!! I will miss you
