“ I am so sorry for your loss of Mom-Mom. She was one special Lady. I was privileged to get to know her and help with her care. She loved her family and will be missed by many. Her family is in my thoughts and prayers during this difficult time. 🙏💕💕

“ I don't even know where to begin with life with Patsy. She has been a very special Lady in my life for almost two years. We hit it off from day one. She was not just my Hospice patient but special friend. Patsy has more true Grit in her pinky than anyone I've ever met. Sense of humor and passion and love for all mankind. All my love and condolences for each of her family members. For we all became richer and touched since meeting her.
