“ I'll always hold dear the memory of the day that dad (Jerry Carlton), Carlton Lee Taylor and I were able to visit Virginia in her home a few years ago. She was very sweet and positive. Her outlook was bright and her love for her family was obvious. She was full of laughter and shared a lot of memories of days gone by. I began to realize the incredible resiliency of the Carlton clan and was and am proud to be a part of such a wonderful family. Thank you Aunt Ginny for your courage and bravery during the last few years. You have a wonderful heritage in your daughter, grand daughter and great grands. What a wonderful example you have provided. Rest in peace dear one and be held in the sweet hands of the Lord.
