

Aaron Cooper

July 19, 1990 - March 21, 2018

It is with great sadness that the family of Aaron Cooper announces his sudden death due to an accident in California in March 2018. Aaron was born 27 years ago in New York ten days after his father, Larry Cooper, died of cancer. When Aaron was about 3½ years old his mother, Jacqueline, remarried. Her husband Neal became an amazing dad to Aaron. Jacqueline and Neal later gave Aaron a delightful sister, Brenna. Aaron grew up in Oregon. He spent many summer vacations in Hot Springs visiting his grandparents, Don and Jackie Cooper.

Aaron later moved to northern California and went to college there, graduating in Graphic Design. He was employed in the technology industry at the time of his death. Aaron had a lifelong passion for visual arts and music and worked frequently as a DJ, songwriter, and sound engineer. Aaron was kind and generous and he had a big, big heart.

Aaron is survived by his loving fiancée, Hilary, his parents, Jacqueline and Neal and his sister, Brenna, of northern California. He was the son of the late Larry Cooper. Aaron was the grandson of Gloria Thompson and the late Lyle Thompson of Washington and the late Jackie and Don Cooper of Hot Springs. He is also survived by his aunt Jackie Jo Cooper Fastenow and husband David Fastenow of Hot Springs, cousin William Fastenow (Rachel) of southern California, godfather, Oscar DeLeon (Octavio) of Georgia, as well as

many other relatives and friends.

In lieu of flowers, donations may be made to Oaklawn United Methodist Church.

Graveside services will be held at Memorial Gardens Cemetery at 11:00 AM on Saturday, July 21, 2018. Aaron's ashes will be buried with his father and next to his grandparents, Jackie and Don Cooper. The Reverend Russ Breshears from Oaklawn United Methodist Church will be officiating. As Aaron stated during his Confirmation in eighth grade, "Let's have a God party!"

“ Our condolences to your families. Just yesterday we happened to tour the two homes for sale on Windy Point and noticed all the family pictures of both Mrs. Cooper and Aaron, then woke up this morning seeing the obituary for Aaron in our local newspaper. Our deepest sympathy to both your families and all those touched by your loss. While touring the homes it was obvious that there was and is a tremendous amount of love and you are all in our thoughts and prayers. sincerely, Bill and Dawn Cattaneo
