If I should Go

If I should go before the rest of you

Break not a flower, nor inscribe a stone

Nor when I'm gone, speak in a Sunday voice
But, be the usual selves that I have known
Weep if you must. Parting is hell
But life goes on, so celebrate as well.

“ ONE year ago today my Labryinth began as my first "memory not voices!" wispered in my ears.
My gentel thumbs up looper whispered streight to my heart...
"Loopers Labyrinth, when things get most confusing follow your feelings! They can not lie to you!"

“ Aaron was My Best Friend for 20 years and trying to select 1 memory out of all we had... isn't possible but here are a few. I remember being 8 months pregnant with Brayden needing a ride to the Dr and he got Dusty/Yankee to pick us up in his 2 seater Honda del sol needless to say I was huge, it was comical but I made it to the Dr! My best one was the day Brayden was born tho... he had Pappy bring him to the hospital came in but continued to check on My Mom Joyce/Sissy in ICU after I had Bray I went into surgery when I woke up he was there telling me Bray was good & I was fine! As soon as they said I could eat real food he called dominos & had pizza (pepperoni & pineapple onions on half for me lol) delivered to the hospital and we hung out laughed, took care of Bray and watched TV half the night!! He wasn't My sons Father but he has always been Brays "Pops" and always was there for us both! At times he was the only one there for us and for that I will always love to no end & be eternally grateful to My Best Friend Aaron Lee Looper MLLH&R Kimmie Lil Eddie Marglous read this for me at your service I love you so much Aaron & thank you for always being there!!!

“ Condolences to Aaron's family...I'm really at a loss for words...Aaron was the type of unique personality that no one could stay mad at for long..he was spontaneous and very personable..I remember back when I met him and he would occasionally visit me with friends at my apartment..I can still picture him sitting on the floor just being himself...funny and laughing..even though I haven't seen him in recent years we always stayed in contact and I'm glad to say he was my friend...prayers for you, Ashley..I know what a close family you were

“ Memories.... my best friend's older brother then to you asking me out on a napkin. Then to our first date behind the mall cinema "Rugrats". Oh and rubber duckies and Nirvana book.... Then you walking across town just cuz I asked and missed you. Staying up all night in the hallway talking. Me waiting for you to call after work (Jason's Burgers). Then later years we always picked right back up as friends. Love you and Ashley just like my family.

“ I remember when I met aaron, we clicked instantly and whenever he would come over we would just sit and talk all night long. He always did whatever he could to help, even if all he did was listen. It's sad that we have lost such a caring, loving person. But at least he is at peace. My condolences to his family, I can't imagine the pain they must be going through. He will live on in our hearts and the memories we made with him.
