“ If you knew my brother you probably told someone at some point in time that he was your best friend literally every person has said that they shared their own unique connection. He never met a stranger and was so full of self confidence. He always had a pretty girl and was quite the charmer he thought he was Gods Gift to women he would bring a new girlfriend home and be like sister I brought you a new shopping buddy... When he got custody of the twins and was a full time single father at 18 I would go and spend every weekend with him and the girls we would hang out with His best friend Richard and play this marble game that his grandma shirley got us into. He was one proud dad and would brag on his girls every chance he got. Everyone said he was dealt a risky set of cards and he always faced many challenges that others his age didn't. He would worry about trying to give everyone everything. Many of his friends say that Aaron always answered the phone and was first to help in a tough situation his grandpa was his idol and he learned great skills from him as well. He was the life of the party and always ready for fun in the sun. He was born in July so summer was his season. MY BROTHER WAS THE ONLY PERSON WHO NEVER JUDGED ME OR MADE ME FEEL LESS OF A PERSON FOR MY MISTAKES AND BAD DECISIONS. HE WAS ALWAYS THERE WHEN I CALLED AND WOULD PICK OF MY PIECES EVERYTIME I FELL APART. IM GONNA MISS EVERYTHING ABOUT HIM AND LIFE WILL NEVER BE THE SAME I DUNNO HOW TO EVEN ACCEPT THIS
