“ Alan and I were pretty close back in the day, named my 2nd son Robert Alan after him. He was always happy to see a friend and knew a bunch of them. He will be missed by everyone he knows. RIP Brother

“ Haven't seen Alan in years, but we had so much fun in the past when we were younger. I have often thought of him over the years and wondered what he was up to. We were actually engaged for about 2 days, but we all know what Alan thought of getting married. Just glad we stayed friends over the years. Prayers for Choya and the rest of his family and friends.
