“ *Alex had the best time during his trip to San Antonio, visiting all of his cousins wore him out and he slept so good on my sofa. We love you Alex, we will miss that big smile you always gave us when we called you “Big Sexy”! God blessed the Dennis family with the best 7 years of watching you grow, now it will be you watching over us and keeping us strong with precious loving memories of you. Rest well ALS.*

“ Don't know the family or this angel, it just popped up in my email notifications. I had a niece who was special needs but had a smile that was the light of the world. It looks like Alex possessed the same smile. Fly high sweet angel!
