“ *The Cullivers were distant cousins of my family. Allan's parents, Jennie and Hardy Culliver, were so special, and it rubbed off on Allan and his sister, Mary Jo, who was a gifted artist. With moves that both families made, we kind of lost track of each other, but our memories are great. Allan was like a big brother to my own brother and me. Always wished we could have lived closer to each other. He will still be missed.*
