“ Allen's life was an open book to anyone to whom he spoke, and he was an inspiration in all he said and did every day. We all should strive to find the bliss he exuded daily. His humor was "punny", and I taunted him mercilessly whenever I had the chance. He was wonderful. God Speed, Allen.

“ Allen was a role model of service to God and his fellows. He was humble, caring, giving, and faithful. Our loss is Heaven's gain. And our sweet Ethan and many others welcome him into their fold. We know that in spirit we cannot be separate from you. However, in our limited minds, we will always love and remember you, and treasure your walk through the world with us, until we see you again, face to face.

“Michelle, I am so very sorry for your loss. My family will always treasure the drawing that Allen did for us of Thomas, but most of all for the peace of mind knowing that he gave his heart to the Lord that day in your living room. There are two "special angels" watching over you in Heaven now. Praying for you and your family to have peace in your hearts knowing you will be together again. May the Lord richly bless you and keep you safe in his loving arms. I love you.

“ *If tears could build a stairway and memories were a lane. We would walk right up to heaven and bring you back again.
No farewell words were spoken and no time to say goodbye. You were gone before we knew it and only God knows why. Our hearts ache in sadness and secret tears will flow. What it meant to lose you, no one will ever know.
Since you will never be forgotten
We pledge to you today
A hollowed place within our hearts
Is where you will always stay*
