“Alta was a good Christian woman. She always was good in giving directions to the youth leading them to learn about Christ. So sorry for your loss.

“Alta was the best friend I ever had. She taught me how to live my life for Christ. We did so many VBS and camp themes and worked together to teach children the love of Jesus. There is not a day that goes by that she doesn't influence my life in some capacity.

“I'm so grateful that I was able to call Alta my friend. She had a true servant's heart that reflected her love for Jesus. I can't remember a time that I had to call her for help that the response wasn't a genuine "oh good!" She was a very vital part of my church family - and I learned so much from her. She will be greatly missed by her family and friends. And to Larry, Kelly, Andrew and the rest of the family, please know that you will continue to be in my prayers as you adjust to life without Alta there.

“Alta was always smiling. You never knew if she was in pain or hurting. Friendly to a T with everyone. I was blessed to know Alta and have her for a sister in Christ. God's Blessings and comfort to the family at this hard time.

“ *Alta was my neighbor. She was the sweetest person. On Sunday, after church, she would cook and make chocolate chip cookies. She often brought a plate of cookies for my family. Alta was always there to offer a helping hand. She will be missed. God bless Larry and the Lekwa family.*
