“ *To Anne's family,*

She was such a joy!! I was one of the water walking/lunch group that met monthly. It was so much fun and no one wanted to miss. One of our members called us the "OLEO Group". (Old ladies eating out!).

She spoke often of her family/grandchildren. She was so proud!

It didn't take a lot to get Anne to laugh and I will always remember the fun, good times and kindness she showed to all.

God be with you all during this time of grief.

“ Kastner Family, I am so sorry for your loss. Anne was a good friend. I met Anne at Water Walking a few years ago. There were 6 of us and following the water walking stint we all liked each other so well, we began to have lunch together once a month. We all cherished our times together. Then one by one the group began to disappear due to death, moving away, health problems and other reasons. Anne was a lovely Christian woman and we always asked her to say grace at our lunches. She will be missed.
