“ Tony, you leave your mark as a creative, gifted maverick in a world filled with conformists. No doubt you are already wielding your charm and winning friends as you make your way in that other realm we call Heaven. Rest, now, in serenity.
We'll miss you!

“ It was fun walking around Hot Springs while Dad showed me all the important places from his life and my childhood. Seemed like he knew everyone. People were always shouting out "Hey, Tony" So I know he won't easily be forgotten.
