I feel so blessed to have taken this picture amongst many and a host of videos watching him do what he loved: building stuff and singing on his microphone.

“ I never thought I would be doing this, so soon. Cuz, you will be greatly missed. Best times ever: uncle Luther, aunt Carlene, you and I fishing on lake deGrey, and the hunting trips. Learned everything I know about remodeling and make improvements to a home from you. I will always cherish the time and memories growing up. Even us getting our *#%#~ whipped for getting into uncle Luther smokes from the dinning room cabinet. You were the best anyone could have asked for.

*Miss ya cuz,
