“ My condolences to Alden, Alicia, and Allen and their loss. I knew Arla well and we spent memorable childhood times back in South Beloit from Wheeler School to South Beloit High School with Girl Scouting tossed in for more memories. She relocated to Southern California after graduation and I contacted her soon after I also settled here. Happily we were able to get together a few times. We drifted apart but kept Christmas card connection. Arla was a special person to me from our early days. Her charm and grace always impressed me. I don't believe that I recall any unkind thing that she ever said or did. There were sad things in her life that she never shared. I wish she had but I sensed that doing so would have pained her more. I am crying as I write this. I am so sad that she is gone. God Bless you, Arla. Rest in Peace.
