“ *Though your smile is gone forever, and your hand I cannot touch, I still have many memories of the one I love so much. Your memory is my keepsake, with which I'll never part. God has you in his keeping, I have you in my heart.*

*You hold a special place in God's heart and a special purpose in this world.*

*I remember how we picked lots of blackberries together, and you were my little girl.*

*Sleep with God's angels. I love you.*

“ Like your mama said, Ashley...I was your second mom and you were like one of my children. I love and miss you so much...rest peacefully knowing I will be sure your wishes are carried out. I'm going to miss you calling me up to confide in me....those little talks we had meant so much to me. They will be cherished forever. You'll be in my heart forever, Ashley....rest in Jesus's arms now. Love ~ Aunt Toni
