“ Barbara Jean had the finest attributes that any person can possess and it's a privilege to have known her for 70 years & to have been one of her close friends. Last night I reread what she wrote in my FLHS annual regarding our friendship: "I guess you and I could have fun doing just about anything", which was true. I'll always cherish the memory of my sweet Barbara Jean.

“ So sorry to hear of Barbara's passing. We used to talk a lot when Jennifer and Nichola were younger. We hadn't talked in quite a while until a few months ago when I called her. It was so good to talk to her. Even though she suffered a lot of pain she always had such a good attitude. She was a very sweet person. She will be missed. May God comfort your hearts as only he can. I will be praying for you all.
