“ To the entire Megger’s I’m truly sorry for your loss. Mrs. Megger’s was my first grade teacher at St. John’s. Through my school years she tutored me and helped through school. Over the years I began to know her family very well. She will be missed, but remembered for so many wonderful things.

“ Mrs. Meggers was a great teacher at SJS. She always made time to talk to any child that came to her no matter the age her door was always open. She shared her love , her kindness , her smile and her faith daily with us at school. Myself and my brothers were blessed to have her apart of our lives growing up.

“ Barbara was a great friend and help to my mom, Josephine Zullo. When my dad was dying of cancer, she visited often and brought them communion. She and mom remained good friends until my mom passed away. She was a wonderful lady. She is watching her family from heaven.
