“ Barbara and I loved going to the shop. The Monday before she was hospitalized, I took her a tea because she was not feeling well and had fever. We shared a moment and I love you...I thank God everyday for giving me that time with her. I miss you girlfriend.

“ *What a precious person Barb was. We got reacquainted (she was a second cousin) a few years back on Facebook. She was feisty and just loved by so many people. I know she was a great comfort to her mother. She will be dearly missed by anyone who took the time to get to know her. Our prays are with her husband, children grandchildren, siblings and her precious mother. May the Lord give you comfort and peace.*
