“ As a child, my family - the McClards - and Phillips lived next to each other on Shady Heights Road in Hot Springs long before it built up to what it is today. All of us had a fortunate childhood surrounded by neighbors who were also our friends. We rode the bus together, played together and had dinner at each other's homes. I remember the Phillip's home was always full of laughter, and it was a special treat to be there. Bernice in particular was loved and appreciated by all who knew her. I'm sure she will be greatly missed.

Our family - Betty and Jimmy McClard, Regenia and Joy - all send our condolences and prayers.
