“ Uncle Paul, you were a beautiful man and I loved you. As mother's twin you were extra special to me. I know you are in heaven with her now and I find comfort in that. I have fond memories of you and will cherish each one. Say hello to our families up there!

Condolences to all your loved ones. May you all have peace and comfort in knowing he's with loved ones, and especially in the arms of Jesus. May you all know Jesus and someday join him there when it comes your time.

Lovingly,  
June Bailey Horowitz

“ Uncle Paul inspired his brother, my Dad Earl Terry, to relocate our family to Texas when I was very young. Uncle Paul got my father a job with Brown & Root, and he too retired from there.

*I remember many fishing trips with my Dad & Uncle Paul, especially staying overnight at Uncle Paul's lake house. Uncle Paul was always so nice to me and to this day I remember he & my Dad sitting in Uncle Paul's truck watching my little league game from the rightfield fence. As luck would have it I hit a towering home run ball that landed in the center of Uncle Paul's windshield. I will never forget running to first base and seeing both of them jump out of the truck to try and stop the baseball that was just out of thier reach.*

*When my Dad came to live with me, I recall he and Uncle Paul talking to each other on the telephone ever night, talking about a lot of nothing. To this day I go to the lawn mower repair shop near Uncle Paul's home here in Texas and those guys routinely ask about him...Uncle Paul was a fine man and I will remember his kindness towards my family forever. “ We I was about 7-8 years old Uncle Paul took me & my sisters to Knox Berry Farm. He got us BIG bags of popcorn we still had some left when time to leave (quite abit). By the time we got to car our bags were empty. Found out years later he had torn holes in the bottom corners & we left a line of popcorn from the park to the car. So sweet he didn't want to disappoint Or hurt our feelings by throwing it away We thought we ATE IT ALL!  
Love him very much! Will miss him very much but i do have alots of GREAT MEMORIES!
