“ *Love you. I miss going to church with you and seeing you all the time. Thank you for always being kind to me. I've known you my whole life. But now your work on earth is done. It's time to rest in Jesus' arms. This isn't goodbye just until we meet again.*

“ *Thank you Grandma for being the best grandma you could ever ask to have . You was and will always be a treasure to me . I'll never forget all the summers camping and helping you garden . Going to church with you singing . You was so wonderful . Love you from the bottom of my heart . You have your wings now . Your grandson William JR or little William you called me* ❤️🙏😊
