“ Sue , you were a true Lady❤️❤️  
I'm sad to say I just found out that you have passed away. I know your singing and dancing with the angels .  
I miss you and will miss your saying to me " Well Hello Sugar".  
I always felt like I was talking to royalty talking with you.  
You are definitely a Queen and I'm honored to be your friend. Until we meet again, know that I love you❤️

“ Dear Jeff, it is with our deepest sympathy that we share the passing of your mother. Sue was family to us and we always had a good time when we were together. You were so brave, loving and giving in caring for Sue in her hours of need, I know she was so very thankful you were there for her. I know your loss is great, especially having lost your brother, Cliff, just a few months ago also, but please remember you still have family who loves you dearly. All our love: Sue, Auna, Joe, Kim, Sam.
