You were always there when need be. A good neighbor and smiles for all. Rest in peace my friend. I will miss you. Degen and Chuck , you had a wonderful Mother. Heaven is her home now. “ Your mother will always hold a special place in your heart. I always thought of her as a true southern lady, as was my mother. Always dressed smartly, hair and makeup done before she left the house, even if it was just a trip to the grocery. I admired the way she recovered from her fall and got back to her normal lifestyle. And Chuck, you did a remarkable job of caring for Beverly then and through out her time in rehab. But, as you told me, she was so tired and ready to make Heaven her home. My heartfelt condolences to you, Chuck, and the family.

Sincerely,

“ I am so happy I had the pleaser to be one of Mrs. Gann CNA's while she was in the Quapaw facility. I have so many great memories with her that I'll forever cherish. I loved her like she was my own nana and I will surely miss her. Everyday I went to work I went straight by her room to see that beautiful smile that she'd always give me whenever I came around. I wouldn't leave her room without giving her a hug and she'd always give me a kiss on my ear. 😊❤️ Mrs. Gann was definitely one of a kind and will truly be missed by me. I love you my sweet lady, I hope you're resting well up there. ❤️

Sincerely, TK
