“ One of the most truly greatest men I ever knew! I was best friends with both his daughters Peggy and Cathy. When he grounded them he grounded me! Lol I was the third girl in the wreck that took their lives as I was in the hospital recovering from my injuries he was there every day with me when I asked how Peggy and Cathy were doing he would say "about the same as you" well where are they I would say, he would day at St Joseph's (I was Ouachita hospital). He was there on the day I got to go home and our pastor came with my mom and the doctor to tell me Cathy and Peggy had died. Unfortunately I never saw him again but I have never forgotten him nor Peggy and Cathy. My 3 children know all about them. He is with his two daughters now and I pray for the rest of his family to ease them through their grief.

*My deepest sympathy goes out to the Wunningham family. He was an awesome guy! I called him "Beverly Baby!" We had a lot of fun at deer camp together. I bet him and Curtis are together deer hunting now! Or at least sitting around the campfire. Rip my friend.*
