“ *Dad. Your the best father any son could want as a parent. You always took care of our family. You used to work so much overtime while employed with the Reynolds plant. But no matter how tired you were, you always made time to have a catch or shoot the basketball with me. I never told you thank you for working with me in various sports. Your were way before your time regarding your natural athletic ability in so many sports. Just know dad, you ARE my hero..... Not a day will go by, that you and your love for me won't be remembered and cherished....*

*Thank you Sir, for being you....*

*I love you dad, your son Billy.*

“ *Joanne,  
So sorry to hear of Bill's passing. I always knew he enjoyed his time here at the 'Y' even though when he was in the pool he wasn't wearing his hearing aide and couldn't hear much. I've missed seeing him over the past year. You both are in my thoughts and prayers.*
