“ *My Sister and I had a Loving, Wonderful and Special Mother. She led a life full of happiness and joy. She always tried to please everyone and offered a great smile to all. We went by her wishes and hopefully we did not let her down in anyway. My Sister and I had a Special Angel that gave much of her time and effort to be with Mom at the time we couldn't. Our Aunt Nancy was Mom's and Our Blessing. I can never Thank her enough for everything She has done for us. I Love You Nannie.*

Her pain and suffering has finally ended. She is at Peace in Christ, Our Lord and Savior.

I LOVE YOU SWEET MOM
