“ What do you say about a man who is more than amazing? Who has been 'My Bobby' for longer than I remember... who formed a bond that no one will ever be able to alter? All I can say is what I know, he was an amazing man to my Granny, and he was an amazing Bobby to me. I can still hear his laugh and our typical I love you more fights like we just had them yesterday. I hope you all had the relationship I had with him because he truly was the most amazing man ever! A love truly only fully understood by us has not gone anywhere just changed it's form ... I love you MORE my new Cupid angel ?
