“ I know this is late in coming, but my thoughts and prayers have been with you. Bonnie always the fun relative that I always looked forward to seeing. When we went to visit, she always had paperdolls for me. She made each of us girls feel special. Her thoughtfulness carried over when Sara was small and even into her teens. She always remembered her birthday. Bonnie was very much loved and I will always have such fond memories of her. With love and sympathy, June
