“ My mom was the best cook ever, growing up I remember homemade cakes and pies, chicken and dumplings. She also had the best personality ever and she always brought out the best in people. We talked about heaven and she knew it was a beautiful place , now when I look up at the sky I think Mama you made it. Always love ❤️ you. Janie

“ Mom, i have always said that you were an Angel on earth and now you are an Angel in Heaven. I know for sure that you were greeted at the Gates of Heaven with all of your loved ones, which were so many. What a wonderful celebration all of you had. I could never have asked for a better mom. You were so perfect in every way and loved by everyone that knew you. I will miss you every single day for the rest of my life until we are reunited together in Heaven.
