

Bonnie Slawson

May 13, 2010

Bonnie Marie Slawson was born in Miami, Florida January 9, 1946 to Julia Anna Lee Burgess and Harold Vincent Slawson.

She spent her younger years in the Miami/Dade area where she graduated and later attended Miami Dade Community College. She lived in Hot Springs from 1974 until she departed this life on May 13, 2010. She was a warm hearted, generous friend and counselor to many.

Her memorial potluck party will take place this Sunday, May 23rd at 3 PM. Call (501) 620-6063 for information.

In her words: "Cancer is a journey with an undetermined destination. Not a fight to be won or lost. On the journey each is an abundance of knowledge of growth and understanding along the path. In each person (caring or fearful) you see another soul traveling a path so their own. We all reach a similar destination one day." She will be missed but in our hearts forever.
