“ I'm having a hard time accepting that you passed away. I've cried a lot of tears. I have so much to say, but that's always been just between you and I. So I will just say, I have always loved you and Brandon, with my heart and soul. You know the weight of those words. I know you are still protecting all your loved ones, from above. Valhalla. You were a warrior and beautiful. I will miss you so much. Grief is the price you pay for love. I love you Matt. My thoughts go out to your family. I'm so sorry, just doesn't seem enough. I will see you again, sweet man.
