*Although we never met Brenda in person, we talked many times on the phone. We could tell what a great person she was and how important she was to Dennis. May she rest in the Peace of Christ and give comfort to Dennis in his grief.*

“ *I passed by where Brenda lived in El Dorado last week & she popped in my head. I knew Brenda thru my ex husband, Mike Odom. I would spend time at Brenda's house & we would talk for hours. She was always a caring person & understood Mike so well. She was a wonderful friend. My prayers are with your whole family during this time of loss.*
