“*Brenda, you are finally up there with the "guys", where you are all finally peaceful and without pain. Keep my place dear friend, one day soon, I too shall be coming up for my spot. Like the song says..."save a place for me, save some grace for me, for I will be there soon". Love you my friend, I will miss you till I get there, but I find comfort that you are not alone. God bless your family, and help them thru this time, I know it is not easy, but, we shall overcome, and see you again one day. Love you sister,*
