“ I so enjoyed chatting with Bruce while we sat at Cub Scout meetings over the last several years. He was such a sweet person, going out of his way to be helpful to my family, and he so obviously loved his grandchildren. We will miss him very much, and his memory will live in our hearts forever. Wishing you all well through your grieving process, and hugs (or fist bumps) to Diego, Zak & I have already been missing him at scouts.

RIP Bruce. I cherish our talks when I was a kid while hanging out at your house. You made difference. Until we meet again.

“ Bruce was one of my oldest friends dating back to kindergarten in Toledo Ohio...we went on to Venezuela where our fathers worked for US Steel... we went to two different military high schools...we both went to Vietnam he in the Army, me in the Marines...we stayed in touch over the years by phone, US Steel Reunions and home visits. I will miss all that. I am glad he was my friend, my brother and to have been in his company. God Bless you and keep you andf may perpetual light always shine upon you.
