“ *Its sad that uncle Carl is gone ,,he was the last of Rachel Dillon Blees,and Peter Blees,children ,there was six sons Matthew,Floyd Carl,Albert ,Issac,and John.three daughters Ann ,Mary and my grandma Ethel .
I was happy to hear that My great Uncle Carl except Christ as his Savior,
We all got together on Easter .It was great memories.We also went to Aunt Ann and Issac Blees ,which was the old homestead,to help with honey and rob the bees.
I personally believe that all the brother and sisters are with there parents in Heaven ,,It is a great thought ..I have great memories,,but will miss those gatherings on this earth ,,I'm not sure but,,maybe y'all along with others in my family can meet me one day ,,and we will all rejoice again until then you will all live in my thoughts and I will remember seeing you all together smiling. “ *Adam, I am very sorry to hear about the passing of my Great Uncle Carl. I have many memories of him and family; at my Grandmother Ethel's home playing Rook cards and at the annual Easter Egg Hunts at his place in Hot Springs that he held many years ago. I remember us playing softball and all of us having the awesome opportunity to get to know each other. Time and adulthood moves us all in our own directions and the past becomes only cherished memories of childhood that we never forget. Uncle Carl was always very good to me. I will always remember him sitting in a chair and holding Gina (black poodle) in his lap!*

To the Blee family, Carl was a classmate of my mom and dad, Kathleen Tull Batchelor and Howard Batchelor. They enjoyed the yearly gathering of the remaining classmates. They can celebrate some more! My thoughts and prayers are with your family.
