“ We haven't spent time together in so long but I will never forget the love & the laughs we shared. Once in my heart, always in my heart. Save me a spot and I'll see you soon.

“ Every year we went to Arkansas. My most cherished memories are the times spent with all of my cousin's. Carla always made me laugh. When we rekindled on FB she always had a way of making me feel special. She never judged and her faith was so strong.....She was an inspiration. She was a Bright light whom will be missed!

“ Hard to believe it has been almost 40 years since I saw her. We were first cousins. Her Momma, my Aunt Rena was my Dad's (Carl Jones) baby sister. As I grew up in Chicago, we only got to see each other on our summer family trips down to Hampton. I remember hanging out with her and our cousins Becky Jones and Cheryl Rinehart. I especially remember one sleep over when her sister Judy tested us to see if any of us were psychuc, lol. Carla always had a little sassy edge, I liked that. Never got to tell her how much I miss the old days. I am so very sad our time ran out, and I was too late. She will always be missed and loved.

“ *There are no words so express the sadness of losing Carla. She is a beautiful soul and I'm sure she is watching over us all right now, without pain, and that beautiful smile on her face. I won't ever be able to play my guitar without thinking of you and our younger days. Rest in peace my sweet friend. Till we meet again.....,*

I sure miss you Sister. Even though we hadn't seen each other since we were children, you were a wonderful Sister. I enjoyed our long talks and sharing stories of our life, we laughed hard, cried and it was joyous.
