“ *I am truly saddened by Carols passing. I didn't get a chance to meet her. We talked through messenger saying hi and talking about my son, Tristin Speed and her daughter Autumn since they are dating. Carol thanked me for how I raised my son. I will forever remember this. Hugs and love to her husband and daughters. R. I.P. Sweet lady.*

“ J.D., Ashley, Autumn.... There are no words to express how heartbroken we are for you all, as well as the rest of the family. We've known Carol since she was a girl, and on into her adult life. I will always cherish the memories made working together, the laughter, the tears, the hugs we shared when she was blue. You will be greatly missed. I keep catching myself going to your Facebook page, looking at all your pictures of your family you were so proud of, it's just so hard to believe I'll never hear your laugh again. R.I.P. sweetheart, until we meet again. Much Love, Bill & Janice Meredith
