“ Please accept my sincere condolences for your loss. As I read other messages above, memories surfaced from many years ago. Carol was a beautiful person inside and out. She stood out from the crowd even way back in 1st grade. Again, I am so sorry for the loss you are feeling and you will all be in my thoughts and prayers.

“ Carol's beautiful big blue eyes and her smile lit up her face and a room. Heaven must be a little brighter now. Scott, Debbie, Susan, Dennis and Carrie Lou, the memories shared with you for the many good times on the old Connelly farm are precous to me. Thank you for allowing me to "babysit" for you when I visited Papaw and Nanny. Carol will never be forgotten as the first of your four beautiful children, and big sister to all. Her courage through this battle was an inspiration for me and many.

“ Carol and I went to high school together. She had the most beautiful smile and the perfect hair. I was lucky to be able to keep up with her over the years. She was so proud of her family and a bright light to all her friends. I know her smile will continue to brighten your lives forever. - Susan (Payne) Calico
