She will forever be remembered as an angel. I was the brat and she was the good one growing up! Even though she was younger I always looked up to her. I treasured her friendship and will miss her more than words can describe.

*Love you Carol,
Lo*

“ My dear sweet auntie was like another mother to me. I love her so much. Although I cherished our amazing trips and visits (laughing til all hours of the night) I always wished we lived closer. May you all have peace that passes understanding knowing she is with the love of her life, and with Grandma, Grandpa and Faithie. What a blessing she was to all of us. Love and prayers to everyone.
