“ To Melissa and the Tuggle Family,I want to express my sorrow for the loss of Cecil. I first met him in 1997 and after a few years he became involved with our organization that benefited many people in our community. He performed a lot of his good deeds without any knowledge and fanfare from anyone and that's how he liked it. I pushed the Board of Directors several years ago to name our clinic after him and it became the "Tuggle Clinic". As a note, Cecil tried to discourage me in doing this and did not even attend the meeting that evening. Cecil lived his life the way he wanted to right up to the end on this earth. I am fortunate to have met Cecil and got to know him and We joked that someday I could write a book about his life's journey. I will miss Cecil.
